**STATEMENT OF TARA MAC LEAN SWEENEY ASSISTANT SECRETARY â INDIAN AFFAIRS  
DEPARTMENT OF THE INTERIOR ON THE BRACKEEN V. ZINKE DECISION**

**October 08, 2018**

For nearly forty years, child advocacy organizations across the United States have considered the Indian Child Welfare Act to be the gold standard of child welfare policy. The Department of the Interior strongly opposes any diminishment of ICWAâs protections for Indian children, families, and tribes.â

The Department will continue to work with tribes and states to implement ICWA moving forward.â We reiterate our support for ICWAâs goals of ensuring the safety of Indian children, maintaining Indian families, and promoting tribal sovereignty.
